BOERS ARE STEADILY LAYING DOWN ARMS.

Lord Roberts Reports the Surrender of a Number of Small Bands.

London, Aug. 11.—The War Office today received the following message from Lord Roberts:

"Pretoria, August 10.—Johannesburg reports that a patrol from the water works was attacked August 7th.

"Buller occupied Amerspoort the evening of August 7th. The enemy retired before his force six miles before Amerspoort was reached. The casualties were twenty men wounded.

"Buller was on the north bank of Reitspruit August 9th on his way to Ermelo.

"Runde arrested at Harismith Commandant Marais, three field cornets and thirty armed burghers and a British subject of Natal named Marais; a Boer spy Ebraus, and a former member of the Free State intelligence bureau.

"Hunter reports that 130 burghers, with upwards of a million rounds of ammunition, surrendered August 8th and August 9th, Cloett, a member of the Volksraad was a prisoner with Hunter.

"Kitchener engaged De Wet's rear guard yesterday near Lindeque with in hearing of Methuen's guns, six miles northwest.

"Lord Roberts wires to the War Office from Pretoria under yesterday's date, as follows:

"A plot to carry me off has been discovered. It was clumsily conceived. The ringleaders and all concerned are now under arrest.

"Hunter Takes Many Prisoners.

London, Aug. 9.—The following report, dated Pretoria, August 8th, has been received from Lord Roberts:

"Kitchener was informed yesterday by an escaped British prisoner that De Wet's wagons had crossed the Vaal. Afterward I heard the sound of guns, which I think must have been Methuen's, as I directed him to take up a position between Potchefstroom and Lindeque, where he could intercept the enemy, who crossed the river at De-wetsdorp. Kitchener is crossing the Vaal with cavalry and mounted infantry.

"Hunter reports that he made 4149 prisoners in the Bethlehem-Harismith district, a majority of whom are now en route for Cape Town. Three guns and 4000 horses were captured and ten wagonloads of ammunition and 195,000 rounds of ammunition were destroyed.

"The garrison of Biands river, which I fear has been captured, consisted of about 300 Bushmen and Rhodesians. I had hoped that Carrington had been in time to withdraw the garrison, but it seems that Delarey, learning of Ian Hamilton's approach to Rustenburg, hurried westward and surrounded the garrison before Carrington arrived."

No Interposition for Boers.

Berlin, Aug. 9.—The Foreign Office referring today to the presence of the Boer representatives and of Dr. Leyds in Berlin, said that the delegation was here in an unofficial capacity only and that it was not likely that any power would endeavor to secure favorable terms for the Boers in the final settlement.

TRAIN ROBBERS KILLED BY SHERIFF'S POSSE.

Men Who Held Up Union Pacific Train Fight to the Death in Kansas.

GOODLAND, Kan., Aug. 10.—The two men who held up a Union Pacific train near Hugo, Colo., last Sunday morning, killing W. J. Fay, a passenger, and plundering the passengers were killed today by a sheriff's posse at the Bartholomew ranch, three miles east of this place. The robbers were located in the house on the ranch in the morning and the posse lined up and cut off escape. After a fusillade between the robbers and the posse, which J. J. Riggs and Joe Cullins, deputies, were shot, one of the robbers jumped from a window and sought escape, but was shot to death. The posse then laid siege to the house, which the remaining robber stood guard with a Winchester, and finally succeeded in setting fire to the building, which was destroyed, with the exception. The robbers have not been identified.

There is no doubt about the mening the train robbers. On the body the one shot in the morning was for a watch, two black calico masks, lady's chain and charm and an open envelope addressed to some illegible name at Hugo, Colo. He was brought to town last night. The man in the house had a large roll of bills, those with the robbers. Two were burned. Both men were about years of age and desperadoes, having threatened to shoot several farmers who refused to keep them. The house on the ranch with its contents was used at \$1,200 and will be paid for the country. The two citizens, Briggs and Cullins, shot in the fight, are doing well and will probably recover.
